Terms & Conditions

By booking a ride on our platform, you agree to comply with all company policies, including fare structure, cancellation terms, and code of conduct. All bookings are subject to driver availability and final confirmation. The user is responsible for providing accurate pickup and drop details and must be present at the pickup point on time. Any misconduct, abuse, or violation of platform rules may result in cancellation without refund and/or suspension of the user account. Users agree not to misuse any features or attempt unauthorized access to the system. All personal data is handled in accordance with our privacy policy. The company reserves the right to modify terms, policies, or service offerings at any time without prior notice.
